In re Application of Hatakenaka	:	
Application No. 09/618,306	:	Decision on Petition
Filing Date: July 18, 2000	:	
Attorney Docket No. 10A 2981 DIV	:	

This is a decision on the petition filed June 19, 2006, under 37 CFR 1.181 to withdraw the holding of abandonment of the above-identified application.

The petition is **dismissed**.

A non-final Office action was mailed May 24, 2002.

A reply was filed August 22, 2002.

A notice the reply was non-responsive was mailed December 17, 2002. Applicant was given an extendable one-month time period to file a proper reply.

A "CPA" and a copy of the August 22, 2002 reply were filed February 14, 2003.

The CPA form included the following language:

Effective May 29, 2000, a CPA may only be filed in a utility or plant application if the prior nonprovisional application was filed before May 29, 2000.

The instant application was filed *after* May 29, 2000.

Rule 53(e)(1) states in part,

If, however, a request for an application under paragraph (d) of this section does not meet the requirements of that paragraph the request for an application under paragraph (d) of this section will be treated as a request for continued examination under § 1.114."

The CPA was treated as a RCE.

The RCE was improper since prosecution was not closed.

A "Notice of Improper Request for Continued Examination (RCE)" was mailed March 26, 2004. The Notice did not set a new time period for reply. The Notice stated,

If the RCE was accompanied by a reply to the non-final Office action, the reply will be entered and considered under 37 CFR 1.111.

The reply filed with the "RCE" was, in essence, a copy of the reply filed August 22, 2002, and was not a proper reply to the December 17, 2002 Notice.

A proper reply was never filed in response to the December 17, 2002 Notice. Petitioner obtained a one-month extension of time. Therefore, the application became abandoned as of February 18, 2003.

The Notice of Abandonment mailed October 20, 2005, is withdrawn to the extent it indicates the application is abandoned due to the failure to file a reply to the March 26, 2004 Notice. However, the application remains abandoned.

Petitioner may wish to consider filing a petition to revive based on unintentional abandonment under 37 CFR 1.137(b). A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by the required reply, the required petition fee (\$750 for a small entity), and a statement that the **entire** delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. A copy of a blank petition form is enclosed for petitioner's convenience.

Any request for reconsideration under 37 CFR 1.181 must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are NOT permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.181."
